

PUBLIC NOTICE

EFFECTIVE SEPTEMBER 1, 2024 WORK WITHOUT PERMIT POLICY

As of September 1, 2024, it shall be the established policy of the Town of Canton Building Department that any structure, enlarged, altered, repaired, converted, or made habitable without the benefit of the required building, electrical, plumbing, or HVAC permit(s), such area, space, basement, attic, “bonus room”, storage space, or like and similar in nature, will be required to remove all wall and ceiling coverings, including but not limited to wallboard, sheetrock, paneling, etc., to the structural frame completely, so as to allow for an inspection to ensure compliance with the 2022 Connecticut State Building Code. There will be no exceptions.

**Rand D. Stanley
Building Official
Town of Canton**
